

TWO²

ROSÉ

Napa Valley

2021

VINTAGE NOTES

A dry winter and generally cool growing year, punctuated by a handful of moderate heat events, set the stage for our 2021 growing year. Early on, we knew we were preparing for a vintage to remember. A lack of rain limited yields and canopy vigor but provoked unusually early flavor development. The summer brought slow and steady flavor and color development, along with great retention of acidity, before a spike in temperatures drove ripening. Our resulting whites and Rosé are fresh, complex and nicely concentrated.

VINEYARD SOURCES

For the debut vintage of our Rosé, our winemakers blended fruit from vineyards in Napa Valley's sub-appellations of Atlas Peak, Spring Mountain District, Oak Knoll District, Mount Veeder, Yountville and St. Helena to create a Rosé that exudes a soft style of the essence of Napa Valley.

WINEMAKING

We fermented this wine, a blend of Cabernet Sauvignon, Malbec, Petit Verdot and Cabernet Franc, in 80% stainless steel tanks and 20% in neutral French oak barrels before aging in 80% stainless steel tank and 20% neutral oak to produce a nuanced and delicate Rosé.

ABOUT TWO SQUARED

Two Squared wines are designed to be approachable in both flavor and price. Opulent, fruit-driven and generous, with a backbone of acidity and elegance, these wines are produced by masterful blending across terroirs evocative of Napa Valley's and Sonoma Valley's modern styles. TWO² is the best of both worlds in its inspiration and creation.
